AROUND THE WORLD — in days of old such a trip would have seemed quite impossible. In modern times, however, it is regarded as no great journey but a relatively common event.

SOME OF US MAY MAKE THE FABLED TRIP Around the World during our lifetime; most of us will not. But as each day goes by, each and every one of us takes a trip around a world — our own world that we know so well.

OUR PRIVATE WORLDS ARE AS VARIED AS WE ARE; no two exactly alike. And yet, they all have one thing in common. For a period of time, Lake Oswego high school, its faculty and its student body, has influenced our existence.

WHEREVER WE FIND OURSELVES IN YEARS TO COME, whatever we may do, L.O.H.S. will have played a part in our achievements. All of us will be bound together by the invisible ties of our high school.

Foreword

Mr. Charles Bowles

DURING THIS PAST SCHOOL YEAR Mr. Charles Bowles has served Lake Oswego high school as a chemistry and algebra teacher, a cross country and track team coach, and as a senior and junior class counselor.

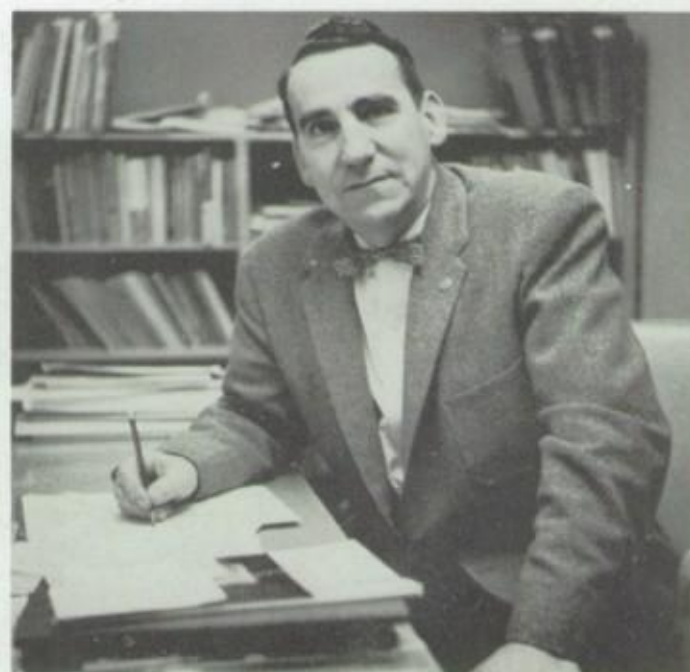

THE TIRELESS DEDICATION OF MR. BOWLES to our high school can be seen daily in his teaching and coaching but it was most clearly exemplified in his work on the new football and track field. Mr. Bowles devoted many of his summer hours—totaling more than three hundred—so that the entire Oswego community and the students of Lake Oswego would have a field of which they could be proud, and so that the Lake Oswego athletes would have better conditions for practice and play.

IT IS WITH GREAT PRIDE AND ADMIRATION that the 1958 Lakers' Log staff dedicates this annual to Mr. Charles Bowles—instructor, coach, counselor, and friend.

They Administer our School District

Mr. Lawrence D. Fish,
Superintendent

Mr. Lawrence Perkins,
Asst. Superintendent

IN 1958 THE LAKE OSWEGO SCHOOL BOARD has been very busy with the many and divers problems which face a growing school district. Under the very capable leadership of Dr. George Lyman, the School Board has done an excellent job in solving or alleviating these problems.

ONE OF THE BIGGEST ANNUAL JOBS of the School Board is the formation of district's policy and the construction of a workable budget for the year. Working with a specially formed citizens' committee, the board planned the expansion program for the area through 1960. Immediate plans call for the building of an elementary school in the Palisades area, the completion of Lake Oswego junior high school, and the addition of expanded shop facilities to the high school.

MR. LAWRENCE D. FISH is a man with a great deal of experience qualifying him for his appointment as Superintendent this past year. His previous experience in the Oswego school system consisted of being Director of Curriculum since 1955. He received his Bachelor's Degree at Bethany Peniel College, and his Master's Degree at UCLA. He is now working for his Ph.D. at Washington State College. He is present at all School Board meetings and attends to the multitude of details that are essential for the functioning of a rapidly growing school district such as ours.

MR. LAWRENCE PERKINS, formerly the popular principal of Lake Grove elementary school, now offers his assistance in carrying out the responsibilities placed before Mr. Fish. Mr. Perkins graduated from the Eastern Washington College of Education and received his Master's Degree from the Oregon College of Education.

P.T.A.

Left to right: Mrs. William Barnum, Mrs. Frank Manglesdorf, Mrs. James Mullins, Mr. Gerald Alford, President, Mrs. Thomas Betty, Mrs. Henry Lawhead, Mr. Warren Adams, Mrs. William Gagnon.

MR. ADAMS, THE FACULTY, AND THE PARENTS feel that this year has been an extremely successful one for the P.T.A. The annual "Back to School Night," was one of the highlights of the P.T.A.'s activities. During the year the many excellent "class conferences" helped to clear up some of the questions in the minds of the parents. Mr. Alford and the members of the executive board played a great role in making the 1957-58 year for the P.T.A. the best that has been known.

THIS YEAR, AS OFTEN IN THE PAST, the Dads' club at Lake Oswego high school greatly benefited the school and community. The annual Scholarship Dance in December, a major Dads' club project, succeeded with a record turnout. The profits of this dance will be given in the form of scholarships to individual seniors in recognition of their achievement in high school.

HOWEVER, THE GREATEST PROJECT undertaken by the Dads' Club was the rebuilding of the football and track facilities. The new football and track field was made possible from the time, money and effort donated by the Dads' club and the community.

Faculty and

Administration

Our Principal

Mr. Warren Adams

MR. ADAMS, A GRADUATE OF BOTH NEBRASKA STATE COLLEGE with a Bachelor of Arts degree and the University of Oregon with a Master's degree, came into the Oswego school system from Molalla, Oregon in the late summer of 1957. In addition to performing the routine duties facing any administrator, paperwork, guiding his staff, etc., Mr. Adams participates as an active member of the Citizens' Advisory Committee on Curriculum as well as of many professional groups working on curriculum.

WITH THIS BACKGROUND MR. ADAMS is able to assist in the planning of a well balanced academic program which meets the demands and the abilities of each individual student as well as the needs of the community. As evidence of his wish to improve Lake Oswego high school was Mr. Adams' effort and influence which aided in obtaining the shop addition.

MR. ADAMS IS VERY WILLING TO ASSIST the faculty and the students in initiating activities which will enrich school life. He has no patience with the lazy mind. Although he might wish that it were not necessary, it occasionally becomes mandatory that he be a stern disciplinarian. He wants to be a friend and a counselor to the students, but he will not seek out a student; the student must find him.

Administrative Assistants

MR. JAMES BROAD IS KNOWN AND RESPECTED at Lake Oswego high school for many reasons. He is the vice-principal of Lake Oswego, is an algebra teacher, is director of the attendance program, and attends to most disciplinary problems. Mr. Broad is a hardworking administrator, with a keen sense of the student opinion and an excellent sense of humor which aids him greatly in his relations with the L.O.H.S. student body.

MR. DICK PIZZO, DIRECTOR OF STUDENT AFFAIRS, teacher of general mathematics, coach of the swimming team, and advisor of the Student Body Cabinet and the Student Senate had a multitude of new achievements in 1958. Due to Mr. Pizzo's direct interest in the school and students, he is often called upon for help in planning a certain activity or overcoming a problem. He has seen the successful introduction of a revised club program into the school's government. He was the proud coach of the boys' swimming team when it won the State Swimming Championship—the first in Lake Oswego high school's history. Without the able guidance of Mr. Pizzo, many student activities, such as the senior class dinner, would not have attained their great success.

AS IN PAST YEARS, MISS FRANCES BARBEY was again the counselor to the senior class but this year she added to her duties by being a counselor to part of the junior class. In the course of her general work as a counselor she has occasion to help many students, from freshmen to seniors, in planning their curriculum, in finding a job for the summer or weekends, in choosing the right college, and in directing the students toward possible careers. This year also found Miss Barbey teaching two psychology classes as well as becoming settled in her new home. All of these contribute to making Miss Barbey's life a very busy one.

Senior Class

THE SENIOR CLASS sponsored the annual senior class dinner, their first activity of the year, which proved to be a tremendous success. Following this, in answer to the challenge of the junior class, the seniors wholeheartedly participated in the clean-up campaign. In a pep assembly, they presented a skit concerned with promoting school spirit. Although the class was involved in graduation preparations later in the year, they still continued their activities such as the May Fete and the annual senior "Skip Day." As in the past years they presented the school with a much appreciated gift.

Junior Class

NUMEROUS CANDY SALES, "pep card" sales, and school improvement campaigns were listed among the activities of the Class of '59. In addition to these, the juniors sponsored the very successful after the game dance, "The Hoop," the Junior-Senior Prom on May 31, and a delightful skit presented in honor of the May Queen. By working together toward a common goal this class showed its school spirit and loyalty.

Exchange Students

From South of the border came two lovely Mexican girls to visit L.O.H.S. this year. Maria Cristina West and Beatriz (Betty) Hinojosa added much to our understanding of Latin American customs as well as teaching some of us the cha-cha-cha and other Latin American dances.

Academic Life At Lake Oswego

BESIDES PARTICIPATING in sports and extracurricular club projects, the students at L.O.H.S. spend much of their time concentrating on the fundamentals of reading, writing, and arithmetic, as well as the arts of music and drama. The college bound student enjoys the particulars of the sciences — biology, chemistry, physics, and advanced mathematics. Everyone benefits from the lessons in social and informal dance given in the physical education classes.

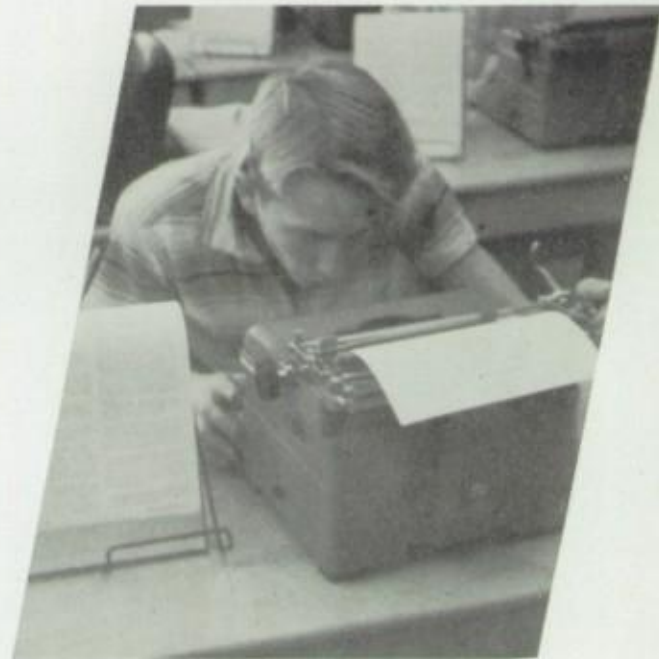

AT LAKE OSWEGO it is believed that students learn as much or more from group discussions as from direct teacher instruction; consequently there are interspersed among the classes occasional class discussions. In some areas of study it is possible even for students to do the "teaching." In this manner their skills are more fully developed and they gain a greater appreciation of the role of their teachers.

Plans for "The Haystack Hop" are rechecked by Midshipmen members

OMEGA HONOR SOCIETY endeavors to create an enthusiasm for scholarship, to stimulate a desire to render service, to promote worthy leadership, and to encourage the development of character in students at Lake Oswego high school.

MIDSHIPMEN promote better fellowship among the lettermen of this school and perform any school service they deem necessary.

RALLY MEMBERS, sporting new uniforms, promoted school spirit throughout the year. Many new yells were developed.

Cleats and Crowns

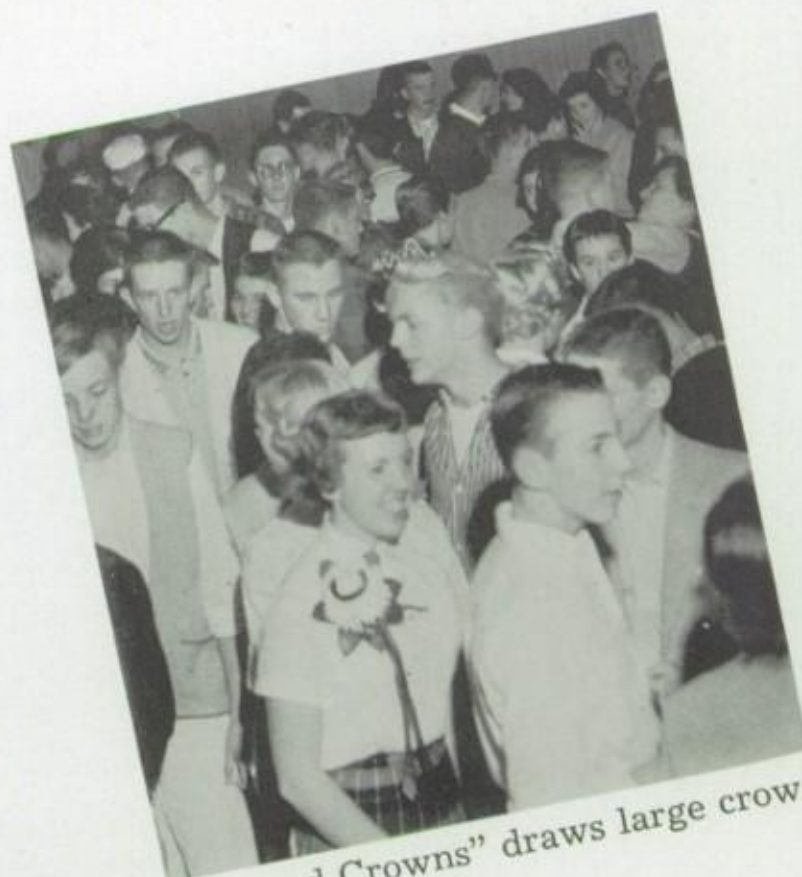

THE ANNUAL LAKE OSWEGO HOMECOMING ACTIVITIES were a great success this year. Two princesses were elected from each class as follows: Penny Frasier and Sue Chandler, freshmen; Karen Swenson and Patsy McCarthy, sophomores; Sandra Shaw and Marcia Gagnon, juniors; and Pat Hall and Nancy Cannon, seniors. The football team elected Marcia Gagnon the Homecoming Queen. Queen Marcia ruled at the dance which followed the game.

A ROUND OF APPLAUSE filled the cafeteria as the years first all school play "Arsenic and Old Lace" was presented. A Victorian setting was used to convert the stage into a home of the early twentieth century.

AS THE PLAY OPENED the two aunts were trying to get rid of another one of their arsenic victims. They poisoned only those boarders whom they felt didn't enjoy life. Their brother, who was obsessed with the idea that he was Teddy Roosevelt, kept the audience laughing with his "charge" and "bully."

A NEPHEW AND HIS COMPANION who tried to use their aunts' home as a hide-out, added to this comical situation. Cecil Matson, directed his cast in two excellent performances.

"ONE FOOT IN HEAVEN," the all school spring play was presented March 7 and 8 in the high school cafetorium. Directed by Cecil Matson, this play concerned Reverend Spence who desired acceptance of the "foreigners" and Mrs. Sandow, who wanted to clean them out.

At all times the presence of the deceased Mr. Sandow was felt. He watched critically as changes were made in the parsonage. He found cause to smile, however, when the crisis had passed and friendships were renewed.

IN SPITE OF A SHORTAGE OF MAN-POWER the LO JV football team managed to finish their '57 season with three wins, three losses, and one tie. The team possessed a formidable ground game but lacked a good passing attack. Roger Paul, Dewey Ollsen, Mick McGuire, and Bob McCrory were the leading ball toters. Kim Jones, Mike Hafterson, and Dick Neuman performed well in the line.

GRIDIRON GLORY was not easy to come by for the Lake Oswego varsity football team of 1957. Though the wins were few and far between, the Laker gridmen gave everything they had in every game of a rough, tough season. Hampered seriously by injuries, the Lakers, coached by Cliff Giffin, finished their season with two victories and six defeats.

A PROMISING QUARTERBACK showed himself in sophomore Bill Flowers. Bill is a quick, agile athlete and is likely to play a lot of good football in future years. Senior Pete Papulski also played quarterback and was outstanding as a defensive quarterback. Though the Lakers were a light team they possessed a lot of backfield speed. Halfbacks Dave James and Tom Betty proved themselves to be constant break-away threats to their opponents. Sophomores Denny Carlson and Ron Simonson also light, fast backs showed well.

JUNIOR BILL BARNUM gave LO rooters many thrills with his spectacular pass interceptions. Two outstanding, hard running fullbacks were George McCarthy and Curt Von Mueller. Curt was named all TYV league fullback. Laker kickers possessed fairly talented toes with Tom Smythe and Jay Green booting seven out of twelve p.a.t.'s. Outstanding linemen were: centers, John Ankersmit and Bill Grimm; tackles, Tom Davis and Gerald DeChaine; guards, Steve Altick and Ed Robinson; and ends, Larry Cheney and Bill Barnum.

TWO BRIGHT SPOTS in an otherwise dark season were the victories over Molalla and St. Helens. After trailing Molalla 6 to 0 at the half, the Laker gridmen came back strong in the second half to trounce the Indians 14 to 6. The illusive running of halfback Tom Betty led the way for LO. When the Laker team journeyed to St. Helens they were given little chance of winning. Victories over Lion teams have always been rare in the past, but the LO gridders really played and came home with a 14 to 0 triumph. A fast moving backfield led by Curt Von Mueller and a hard charging line led by Tom Davis carried Lake Oswego to the well deserved victory.

Slogans such as "Always Be Competitive" and "What Are We Willing to Give Up To Be Champions?" spurred this team on to numerous victories. Lacking power in the field events but making up this loss in the distance races kept the meets interesting until the last race was run. Trackmen like Ken Cox, Dave Nevius, and Larry Kempf inspired their team-mates to victory through just plain hard work. The real job, however, came from Coach Bowles, who unselfishly gave his time, interest, and energies to making this team one that would win.

Led by JV runner Ted Schiel and varsity ace Ken Cox, the 1957 cross country season was the finest ever completed at Lake Oswego. For the second straight year the JVer's captured both the Willamette Invitational and JV state trophies. The varsity placed tenth in the state meet, lower than any LO team before.

"The outlook for next year is tremendous," states coach Chuck Bowles, "while other teams will lose from three to four of their top runners, we should have the whole team back next year. With some hustling, our boys will be top contenders for that varsity state title."

FEATURING THE SCHOOL'S YOUNGEST VARSITY BASKETBALL TEAM in history, the Warren Schue coached Lakers gave their supporters plenty to cheer about. However, although spirit was high, experience was lacking, and the team finished 7th in the TYV League with Tom Smythe leading scorer.

MOST OF THE TIME when the LO basketekers found themselves on the short end of the score, they were also on the short end of the height department. The Lakers worked hard to counterbalance their lack of height with speed and "heads up" play.

SQUEAKERS, SPINECHILLERS, AND HEARTBREAKERS marked the LO junior varsity basketball season. Every game seemed to go right down to the wire. The spectators were left limp with excitement. The team finished the season with thirteen victories and eleven losses.

THE JV BASKETEERS, cached by Dale Reynolds, were a well balanced squad. They seemed to take turns for top scoring honors each game. Led by Bill Flowers, Ron Simonson, Roger Paul, Doug Ragen, and Biff Steers the team could never be counted out in a game.

Boys' Golf Team

LO'S BOYS' GOLF TEAM coached by Cliff Giffen strived during the 1958 season to rebuild itself to the strength of the previous season. Leading the Laker devotees was par shooter Doug Ragen, a sensational golfer for a sophomore. Doug and junior teammate Ed Pearson were the only returning lettermen.

THE TEAM POSSESSED two outstanding freshmen in John Hedlund and Kent Huth. Also back from last year's squad were Bill Hedlind, Jim May, and Bill Lang. None of the top four will be lost through graduation so the Lakers could be real state title contenders next year.

Girls' Golf

FOR THE FIRST TIME IN HISTORY LOHS fielded a girls' golf team due to the enthusiasm expressed by many of the school's female devotees. The girls' were coached by Miss Cordelia Arnold and, as the boys, they practiced at the nearby Lake Oswego Country Club golf course.

AFTER CONSIDERABLE NEGOTIATION the team managed to schedule several Portland schools for matches. Rain or shine, the girls were out on the golf links every day playing matches or practicing. Junior Dorothy Twelves captained the squad, and freshman Vicki Regin proved to be the team's top golfer.

TENNIS IS FAST INCREASING IN POPULARITY around LOHS. The boys' tennis team coached by Mr. Dale Reynolds opened its season with a large fifteen man squad. A new addition to the squad was junior Dave Oehling, from Mississippi. Dave, who was one of the top high school tennis players in the South, proved to be a really valuable asset to the team.

DAVE, FOLLOWED BY PETE PAPULSKI and Arnold Southwell, were the top three for the Laker racketeers. Top doubles combination for the team was composed of Mike Moreland and Hartwell Whitney.

RIVAL TEAMS ENCOUNTERED A FORMIDABLE OPPONENT when they ran up against the LO girls' tennis team of 1958. Coached by Miss Doris Popple, the Laker girls proved to be very tough to beat. Leading shotmakers for the Lakers were Jean Adams and Wendy Southwell.

THE TEAM MEMBERS FAILED TO LOSE a single match to their first three opponents in spite of extremely disagreeable early season weather for practicing. Hopes are high for next year since both Jean and Wendy are juniors and will be back next year.

Ron Bohlman — winning a race

AFTER OVERWHELMING all regular season opposition, the Laker mermen climaxed their tremendous record by capturing the evasive state crown. There are probably few athletic teams anywhere that can equal the fantastic consecutive win streak the LO splashers have racked up. Under the able instruction of coach Dick Pizzo, Lake Oswego boys' swim teams have yet to taste defeat in dual meet competition. This year the Lakers extended their string of triumphs to 52 in a row. Voted as the team's outstanding swimmer was senior Doug Chisolm. The season's biggest pointgetter was sophomore Ron Bohlman:

The incoming Freshmen greatly strengthened the team, bringing many new promises for future years. Judy Gardner and Jean Carter show promise in the backstroke, Billie McCoy made a welcome addition to the breaststrokers, while Carol Church and Gretchen Hiedeman are good all-around swimmers.

Mi Zucca,

I'll just write a few short lines.

We really used to have a blast out at Grandpa's place, didn't we. Going exploring ~~for~~ up the creek. I guess all that stuff's gone for good just about. You'll be in college pretty quick and probably get out with a different set, look on a lot of things. Well here's to ya & Good luck in college.
